Services offered:

Counseling (Individual) for behavioural problems, emotional issues

Personal Profile:

I am beginning to work as a child counselor and would like to integrate Play therapy in my counseling practice. I myself am a mother of 12 year old and dealing with various emotional and behavioural issues. I have tried practicing the play therapy approach with few children aged 4-6 years of age and it sure has made the child more comfortable to talk. I am sure the course on play therapy that I am undertaking will benefit in counseling children.
