Currently undergoing supervision in current practice: No

Ages catered for: 0-Adult

Services offered:

Occupational Therapy, Play Therapy, Conduct individual and group therapy both.

Deal with special needs, social skills, ADLs, behavioural problems)

Personal Profile:

I work with special needs population (Autism, ADHD, Down syndrome, Cerebral Palsy, Developmental delay, Intellectual Disability, Epilepsy etc.). I work on their physical, cognitive, functional and social development by blending Play & OT. Play is the primary medium through which I connect with the kids to plan activities as per their stage. As they progress to higher stage of play, suitable complex activities are planned to achieve the goals.
